

A NIGHT WITH ERIKA'S LIGHTHOUSE

@ My Place

Host a party at your home to raise awareness about mental health, educate guests about Erika's Lighthouse and raise funds to support our mission.

A Night with Erika's Lighthouse is as easy as...

1. Register Your Party

- Gain Access to tools, tips, suggestions, templates and guides as well as your own personal fundraising page and link

2. Plan a Spectacular Evening

- It's your party - and you'll plan how you want! You can host a sit-down dinner, pizza party, watch the big game, play board games, or anything you choose!

3. Host the Party of the Century

- Okay, it doesn't have to "the party of the century", but we are sure it will be amazing and filled with friends and fun!
