

BOWLING NIGHT

Host a Bowling Night:

- Go to your local bowling alley and ask if the bowling league could do a charity night (this could work for other intermural/club sports leagues as well)
- Have all the teams donate a set amount of money to play that night
- Get prizes for the top 3 teams (this could be food or drink vouchers from the bowling alley, gift cards to franchises, self made certificates, etc.)
- Keep score through out the night and announce the winner
- Through out the night make announcements on why they are fundraising with facts, stats and information from Erika's Lighthouse
- Donate all the funds on our Shine A Light page
