

GARAGE SALE

What's great about Garage Sales is you can either do this in person in your yard or you can do this through Facebook Marketplace, craigslist, ebay or apps like OfferUp and LetGo!

Host A Garage Sale:

- Start going through your storage, closets, and garage!
- Set a price for the items you're ready to part with
- Post on your social media, email your contacts or post around your neighborhood that you will be hosting a garage sale where proceeds will be donated to Erika's Lighthouse (We can help you with these promotional materials or posts!)
- Set up and organize your items for sale in your garage or yard and SELL SELL SELL!
- After collecting sales (donations) you can either mail these funds to us or donate electronically on our Shine A Light page
- If you're using Facebook Marketplace, another site or app, you would do this all virtually.
 - Take pictures of your items and post them on the sites with the price and note that these sales will be donations to Erika's Lighthouse!
